When we have received all venue data and applications, we will match you to an appropriate venue and contact you with details of: (1) your garden (2) your host's contact details. We will ask you to provide us with profile information and up to 3 photographs of your work for the Festival website. We then leave you to liaise with your host on the details of how your work is displayed, what to do in the event of rain, etc.

To fund the administration of the Gardens & Arts Festival, we require just a 10% contribution from your profits at the event. This may be submitted to us directly or via your host.
