# Henfield Festival of Gardens & Arts 2024

## Welcome!

Welcome to this year's Festival - our Silver Anniversary. Using the map in the centre fold and details under each venue or topic, make use of our wonderful maze of twittens and footpaths and discover: interesting gardens of all sizes and styles; a variety of community buildings and artists' studios, displaying a huge range of arts and crafts; a wide variety of musical performances both professional and amateur, indoors and out; and not forgetting that most essential ingredient ... refreshment! Home-cooked lunches, delicious cakes, tea, coffee and ice-cream - the Festival caters to every taste.

This year, as well as being the 25th year of the Festival, is also the 25th Anniversary of the founding of Henfield Birdwatch, and Henfield's Year of Biodiversity, so there is an emphasis on nature and natural planting. Thank you especially to our sponsors.

### USEFUL INFORMATION BEFORE YOU START

- **Entrance** to all the venues is free. Venue owners may choose to collect for a charity of their choice, and you are welcome to contribute to their charity or not as you see fit.
- Please respect the wishes of garden owners with regard to dogs, which should be **kept on a lead at all times**, unless otherwise specified.
- **Not all venues are open on both days**; check to avoid disappointment.
- The 2 public car parks in the centre will be free on both days. Walk or cycle around the trail as far as possible as parking in the village is limited. There are public toilets in the High Street.
- **i** on the map indicates our **information point** at **The Henfield Hall Garden Room** in Coopers Way, courtesy of Henfield Art Club, where you can pick up a leaflet from a Steward and get information about the Festival.
- Gardens and community venues are numbered 1-31, with numbers showing their location on the centrefold map. All numbers are colour coded to show on which days the venues are open. Blue = open Saturday only; Red = open Sunday only; Green = open Saturday & Sunday.

## Preliminary Information

-  Teas & light refreshments
-  Lunches
-  Toilet facilities available
-  Full or partial wheelchair access
-  Children's activities
-  Dogs on leads welcome
-  Art on display
-  Musical performances

### COLOUR CODING OF GARDENS OPENING DAYS

-  Open on Saturday only
-  Open on Sunday only
-  Open on Saturday & Sunday

**The number in each coloured circle is linked to an individual garden, and appears on the centrefold map. The numbering of the venues is not a guide to the order in which they should be visited - it is simply intended as a key to their locations on the Festival map.**

**For details of the musicians and their performances in the Gardens, see the "Music Timetable" and "Festival Musicians" pages.**

**For details of the artists and craftspeople exhibiting, see the "Festival Artists" pages.**

### The Tanyard field & the Henfield Year of Biodiversity

Courtesy of the Parish Council and the Sussex Wildlife Trust, a path will be mown around the Tanyard field, as in previous Festivals. There will be various activities as part of the Year of Biodiversity. Please note that the field is open only from the southern, Cagefoot Lane gate and not from the northern part in Chestnut End.

### Chanctonbury Ring Morris Men

The Chanctonbury Ring Morris Men will be performing at various locations in the village throughout the day.

To see their route and performance times, which may be subject to change, go to their website, which is:

<http://www.cmmm.org.uk/>

### Cash, not cards

If you wish to purchase any of the art or crafts on sale in gardens, pay for meals or refreshments, or make donations to a garden charity, please bring cash for payment rather than relying on card machines. Some of the artists may be able to take payment by card, but others will probably not so - to save disappointment - we advise you to bring some cash with you for your visit.

## Festival Gardens

### 1 1 Woodard Mews, Church Street

A tiny, jungly garden with no grass but some interesting plants. Lots of pots in front garden. Full wheelchair access

**Open Saturday only.**

### 2 Lodge Cottage, Martyn Close

Small, secret high-walled garden with a mix of cottage garden and architectural plants. Wildlife area attracting frogs, toads, slow worms, foxes and the occasional hedgehog.

**Open Saturday only.**

### 3 The Mead, Church Street

An established garden with herbaceous borders, raised kitchen garden beds, drystone walls and chickens. We also have a pond surrounded by a small wildmeadow area. Relax and enjoy our homemade cakes and refreshments. Plants for sale. Partial wheelchair access.

**Open Saturday only.**

### 4 St. Peter's Cottage, Church Walk

Country garden with terrace and summer house. A variety of potted plants, roses and summer bedding. Wines and soft drinks available.

**Open Saturday only.**

### 5 Hacketts Cottage, Church Lane

**Art:** Chris Doran

**Open Saturday only**

### 15 19 Lower Faircox

A sheltered back garden with a mix of plants in raised beds. A small greenhouse used for growing tender vegetables. Front garden a colourful mix of perennials and annuals.

**Art:** Suzanne Fisher

**Open Saturday only**

## Festival Gardens

### 16 Ganymede, Lower Station Road

Well established garden together with pots with perennials and summer plants. Also small collection of bonsais.

**Art:** James Young  
Partial wheelchair access.

**Open Sunday only**

### 17 Old Mill House, Sandy Lane

This large sunken garden was once a working sandpit. Now it's home to mature shrubs and a wildlife friendly pond, all in a woodland setting. Money raised for St. Barnabas charity.

Partial wheelchair access

**Music:** Pyecombe Village Choir.

**Open Saturday only**

### 18 Rosemount, 1 Windmill Lane

A cottage garden exuberantly planted with colourful perennials and annuals. Plants rule OK! And not an inch of ground is wasted!

**Art:** Christine Twitchen; Ade & Sally Belcham

**Music:** John De Little

**Open Saturday only**

### 19 18 Hewitts

The garden encircles the house, with a path running round linking a patio at the back, a semicircular deck over a pond at one side, and a seat with wisteria-covered pergola over it in one corner. There are 3 camellias around the garden and a silver birch beside the pond; pear, plum and apple trees; an arch at the front with clematis and climbing rose; an unusual flowering Cornus Kousa tree in the front.

Full wheelchair access.

**Art:** Angela Manuel

**Open Saturday & Sunday**

### 20 The Henfield Haven, Hewitts

The Haven's gardens are all lovingly tended by our volunteer Garden Gang. A mixture of shrubs, flowers and vegetables in a safe, child-friendly environment.

Full wheelchair access

**Art:** Artzheimers

**Music:** Steve Bailey; open mic; dog show; Actalina Kimai Dance

**Open Sunday only**

### 23 Henfield Hall (Information Point)

Artists from Henfield Art Club will be exhibiting on both days.

Full wheelchair access.

**Art:** Exhibition in the Hall Garden Room.

**Open Saturday & Sunday**

### 24 4 Holmgarth, Furners Mead

Small front garden, numerous different flower varieties, hanging baskets, garden ornaments, bird table.

**Open Saturday only**

### 25 Tanyard field, Cagefoot Lane

**Saturday:** wildlife biodiversity, Small group activities to see wildflowers, insects, etc. in the Tanyard meadow, moth traps, bird ringing.

**Sunday:** Childrens' seed bomb making (morning only). Pesticide & herbicide amnesty.

**Open Saturday & Sunday**

### 26 17 Hewitts

We moved here in August 2022. Someone had designed and stocked a beautiful garden in the past, but it had been neglected for several years. We have spent the last 18 months creating a more "wildlife friendly" garden. We've taken up crazy paving and put in a pond with grass surround, removed several plants that are not native, and this encourages local birds, bees and butterflies. It is "work in progress"!

**Open Saturday and Sunday**

### 27 Maycroft, Craggits

Wrap-around garden with cottage/traditional borders, raised beds and a large well.

Refreshments & sweet treats available.

**Art:** Chris Weedon

**Open Saturday only**

### 28 Henfield Football Club, Northcroft

Open Clubhouse with following activities & facilities: children's gardening; nature treasure trail; art on display; kitchen & bar open.

Partial wheelchair access

**Art:** Inky Kat Studio

**Open Saturday only**

## Festival Gardens

### 29 62 Furners Mead

Small enclosed courtyard style garden with raised flowerbeds, small vegetable plants, peaceful all weather summerhouse with Dicksonian fern, variegated greenery, fig tree and Welsh slate water feature.

Partial wheelchair access

**Open Saturday only**

### 30 Fircroft, Barrow Hill

A mature garden with spectacular views of the South Downs. Formal terrace with box hedging, a courtyard garden and decking steps leading to a pond and clip borders with prairie planting.

Partial wheelchair access

**Art:** Susan McLaughlin and friends

**Open Saturday and Sunday**

### 31 Ash House, Barrow Hill

Redesigned in 2021, the garden has a sweeping lawn reflecting the contours of the South Downs beyond. It features a wildlife pond, prairie style planting, flower beds and a raised vegetable bed. Now maturing but still a work in progress.

**Art:** Melissa Birch, Alison Crowe, Lyn Fryer, Jenny Wightwick

**Open Saturday and Sunday**

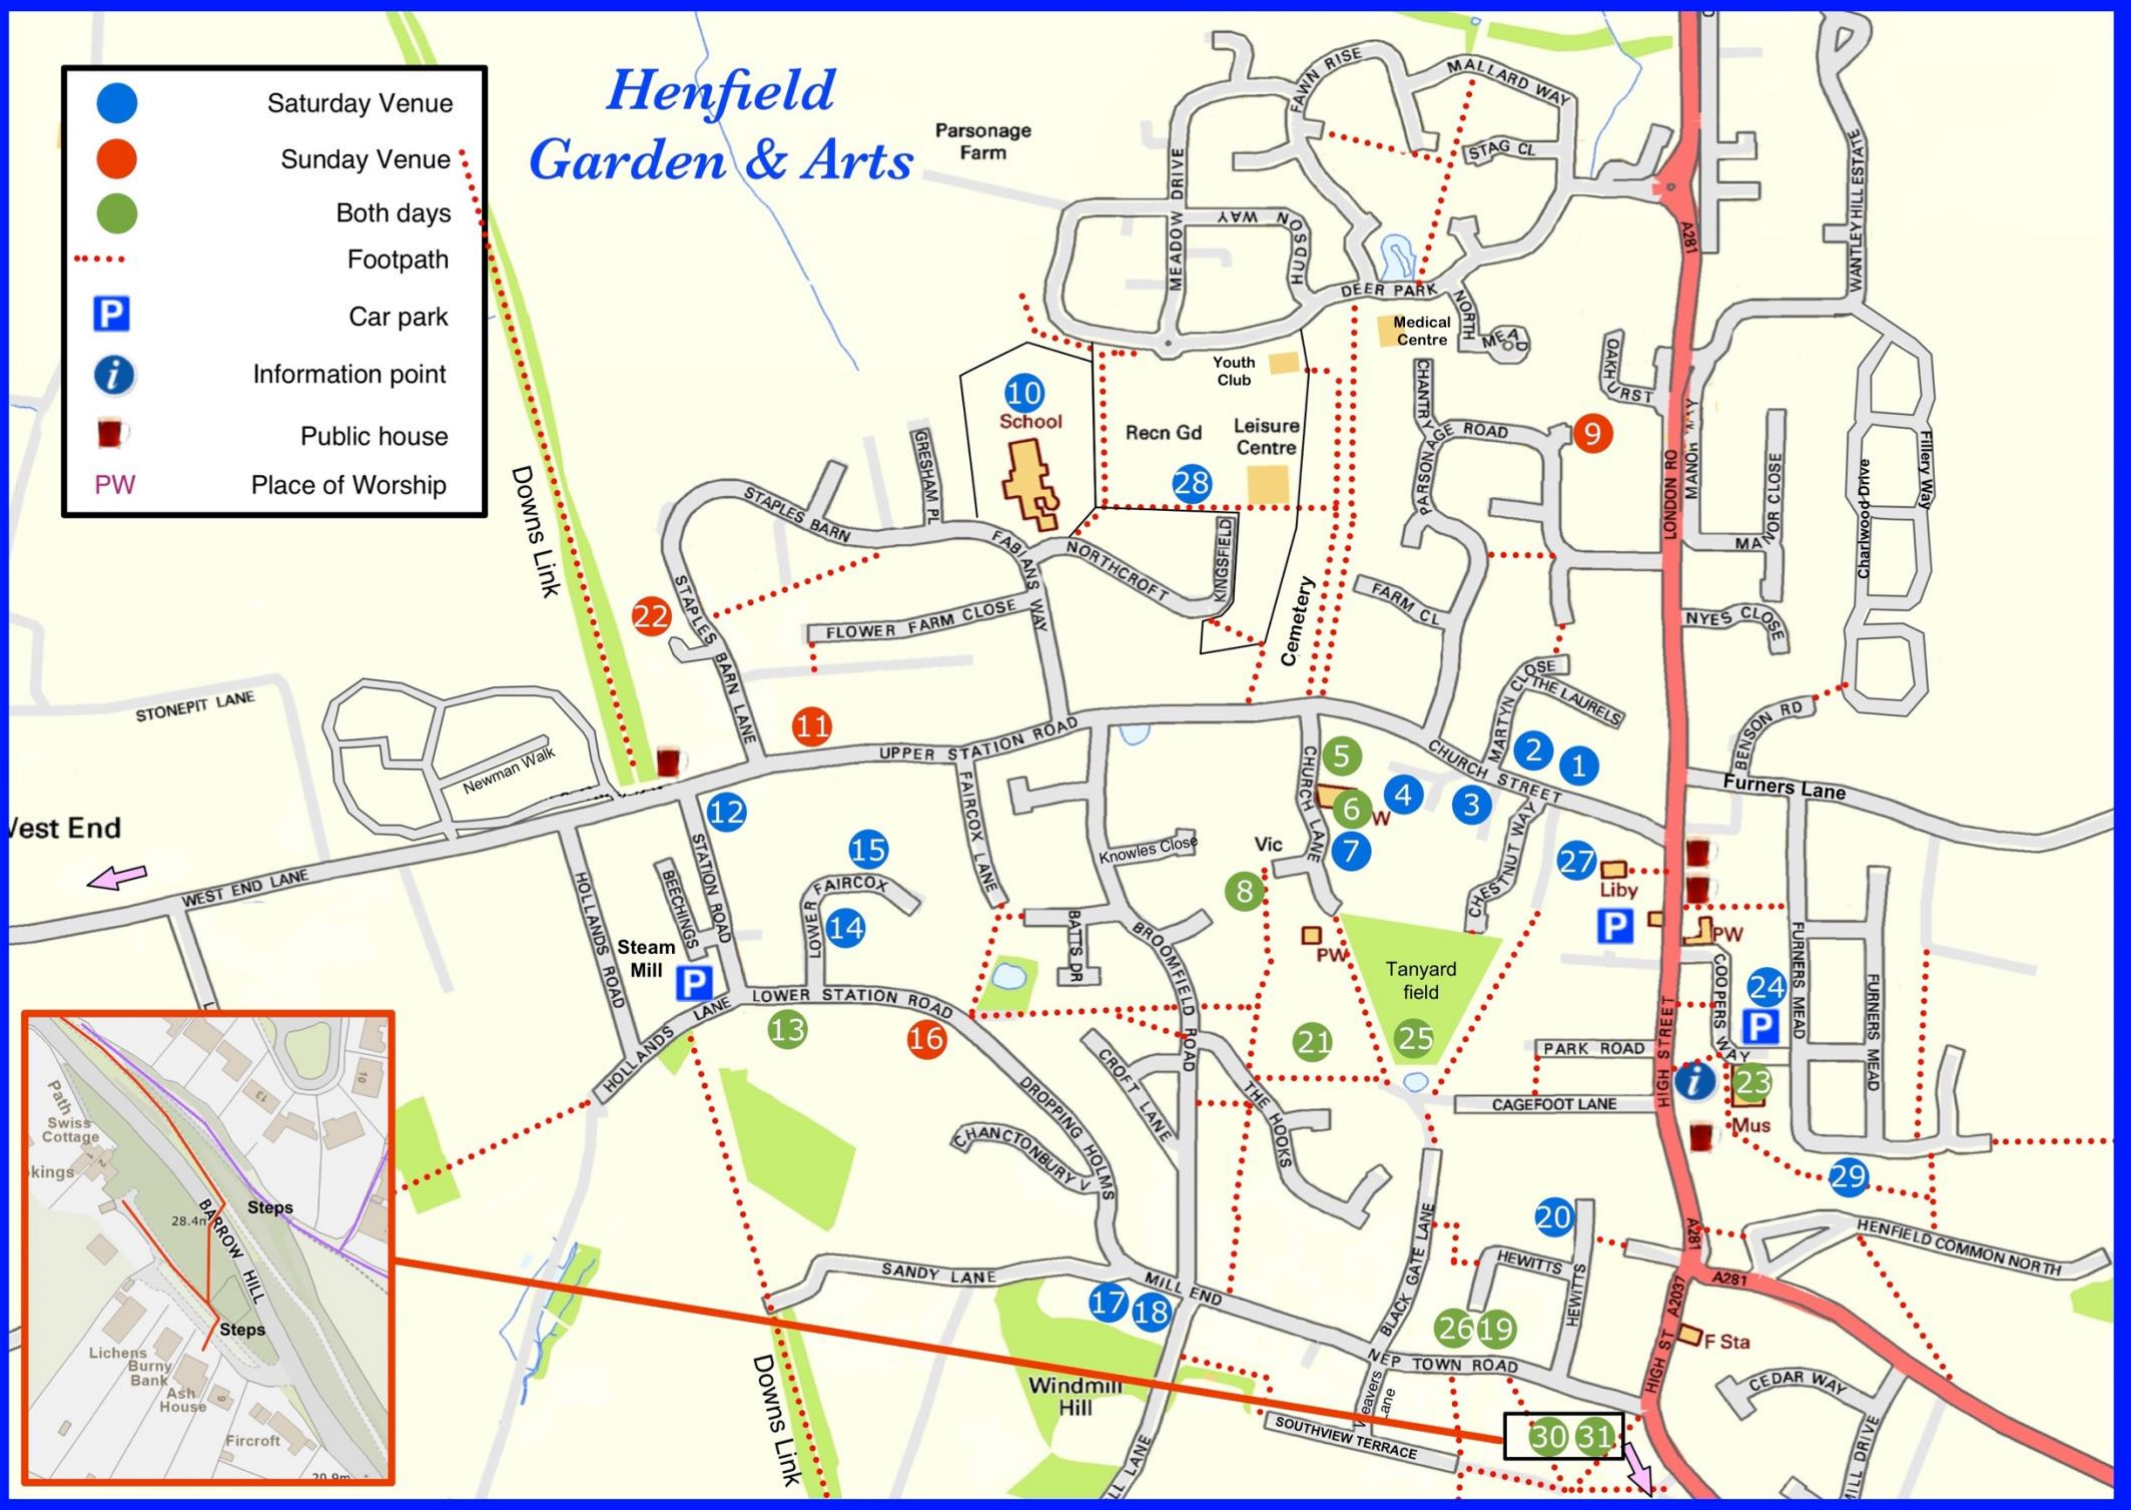

**Fircroft (30) and Ash House (31) are just off the main Festival Map. They are best reached on foot from the footpath that runs above and down Barrow Hill from the Borrer Bank. Shown inside a red inset on the map overleaf. Walk down the path and some steps to the road crossing gates and cross the road - do take care when crossing Barrow Hill. After crossing the road, turn left and up some more steps to Ash House.**

## HENFIELD YEAR OF BIODIVERSITY

### **Saturday: 9-4 Guided tours of the Tanyard.**

As part of Henfield's Year of Biodiversity 2024, the Parish Council and many local groups interested in nature are working together to record and celebrate our natural environment. Local ecologists, with professional and experienced amateurs will accompany small groups of interested people round the Tanyard to see, learn about and record the wildlife they see.

There will be several guided tours during the day, starting at 9am, probably taking no more than 30 minutes each. The first tour will be a small mammal tour with Michael Blencowe (Sussex Naturalist and Lost Woods team). If you wish to take part in this tour, you will need to pre-book to be sure of a place. Bookings can be made from 13th May to 31st May, and the booking email for this will be:

[info@sustainablehenfield2030.org](mailto:info@sustainablehenfield2030.org)

People can book in for the other tours at the SH2030 information desk on the day. Numbers on each tour will be limited so that we do not disturb the nature reserve too much. NO DOGS will be allowed into the Tanyard. We will be encouraging visitors to log their nature sightings on our Henfield Nature Challenge in the Seek app or iNaturalist.

### **Sunday: 10-12 noon Children's Activity Making Seed Bombs**

Henfield Scouts and SH2030 are working together to run a short children's activity between 10-12. We hope this will be suitable for 5-10 year olds. The aim will be to make some seed bombs or wildflower pots that families can take away. Ideally some of the Seed Bombs will be kept and bought along on the **Walk for Malcolm on Sunday July 14th**, where everyone on the special walk will get free entry to Sussex Prairie Gardens. We have permission from Sussex Prairie Gardens for these seed bombs to be thrown by the children into the newly developing prairie wildlife meadow. Details on this on the day. Adults can walk on the mown paths in the Tanyard in small groups.

### **Saturday and Sunday 10-4**

Information Stall and Pesticide Amnesty  
SH2030 will run an information stall and pesticide /herbicide amnesty service at the Tanyard. So look out your slug pellets and roundup and other chemicals you have in your sheds that we no longer feel are OK to use in our gardens and bring them to the Tanyard. Please bring your old pesticides or herbicides safely, ideally in their original containers, to be safely disposed of by our waste prevention team to the Tanyard.
